HELIOS THERMOBOY

Plastic vacuum jug with flip-top lid for practical one-handed operation.

HEAT RETENTION

Very good heat retention due to vacuum-sealed and silver-plated Q100 quality glass insert.

COLOURS

SIMPLE POURING

Thanks to the practical flip-top lid, the Helios Thermoboy is delightfully easy to operate with just one hand. The lid cannot fall off.

FEATURES

Contents of the jugs are available from 0.3 l to 0.6 l. Also available with a stainless steel insert as Thermoboy S+.

DISHWASHER SAFE

The vacuum jug + lid are 100% dishwasher safe.
